Behind The News In Washington And Wall Street

BY GEORGE DUNNO

WASHINGTON, Oct. 6.—The sugar boys are at each other's throats for fair now and a well fought lobby built up here by the Farm Bureau.

Dislosures. Gray has been identified generally, together with the Farm Bureau, as the "conservative" spokesman who has kept the farmers from going completely off the reservation in their efforts to get a break.

Aligned against him have been principally John A. Simpson and the Farmers' union, a truly militant organization that inspired the "farm holidays" or strikes.

So now official Washington wonders whether the disclosures of Farm Bureau activities may not stir up resentment among the farm rank and file in such fashion as to put Simpson in the ascendancy. Farmers' union demands are a little too vigorous to suit the New Deal.

Habits. Bootlegging is giving NRA no little concern, according to informed sources. And we don't mean liquor.

What has come in to headquarters that hidden factories have been set up outside New York state but in the immediate vicinity where tens of thousands of dresses are being turned out and dumped on the trade at prices absolutely ruinous to legitimate competitors.

Some of the pin-Cuban men called at Coulter's office the other day. A sweet young lady stenographer informed them the Dr. wouldn't be in all day because he was up at a local hotel with Johnson and one of the latter's attorneys.

The Taussig cohorts promptly departed and called on Wayne Johnson's suite. They asked for Dr. Coulter. After a brief pause a voice came on the phone they recognized as belonging to the sugar coordinator. They hung up without conversation.

Their next step must have been a protest to the heads of agricultural adjustment administration over the idea of a Federal empire calling informally on one of the constituents in a dispute he was mediating.

This is told without the slightest thought of reflecting on Dr. Coulter. Rather it reveals how closely the two factions are watching each other and how suspicious they are of the opposition's motives.

Almost any government official, member of congress or newspaper man can be dined and/or whined at the hotel where the sugar barons are holding forth and they don't have to ask for invitations.

But in any event the Cuban interests have made quite an undercover rump about Dr. Coulter's undoubtedly harmless visit to the suite maintained by the eastern refiners.

Dr. Mondralet Ezequiel of the Brain Trust, is mediating and mediating the problem of sugar.

Arthur Brisbane's News Review

NEW YORK, Oct. 6.—C. H. Miller ends from Germany. Dr. Goebbels' speech of propaganda and "highly intelligent" expression.

To supervise the formation of public opinion and see that not pursue paths leading to the common weal is the late night of the state.

Law and Liquor. John D. Rockefeller Jr. is spending \$100,000 to investigate the liquor problem in countries in anticipation of readers public service.

In a public statement Mr. Rockefeller says "I was born a Jew and I have been a Jew since principle all my life. My father was not his father's Jew."

Those who think they are the world and think they are more nearly so than they are should keep in mind that they are not Mr. Rockefeller's investors.

Always Able Leaders. Newspaper editors are asked by readers: "Is it true President Roosevelt has said, 'I shall be the greatest President the United States or the last one.'"

The scientific research committee of the University of Chicago, headed by E. W. Burgess, a professor of psychology, has drawn from 526 married couples who were asked what they thought of their married happiness.

The majority agree that a courtship, but not longer than one year, brings more happiness than a short courtship. Also, the advice of fathers is better than that of mothers as regards their marriage plans.

The little man who gamboled, shorn, and comes back for a shearing, ought to be warned by the announcement that 11 pairs in one firm sold for \$120,000 more than 100,000 shares of stock for which they paid 25 cents.

From 20 cents to \$32 a most an unreasonable increase. In addition Mr. Percival went in connection with the "trust" that did not work in "cleaning up" the trust, that when men are in a trust there is nothing to be gained from it.

Strikes continue, in spite of wise appeal of Mr. Greer of the American Federation of Labor, urging conservatism. New readers hear only of a strike, involving thousands in New York City, between the tenth and fifty-ninth streets.

HERE ARE YESTERDAY'S COOKING SCHOOL RECIPES

... recipes were down the sides and top a cherry on top. Set whole on lettuce leaves and it will closely resemble a sundae in a candle stick.

Whole Loaf Sandwich
One loaf sandwich bread, major dressing, 1 1/2 cups chopped raw cabbage, 1 pint tomato sauce, 1 jar sandwich spread, 1/2 lb. cream cheese, 1/2 cup shredded lettuce.

Remove crusts from bread and slice lengthwise in thirds. Spread with butter. Place one slice of bread on a platter and spread with mayonnaise, cabbage, tomato mixture, use sandwich spread on the next slice, make soft paste of the cheese and use it to cover the whole loaf, chill in refrigerator, garnish with pickles, serve cut in thick slices.

Anniversary Cake
One cup shortening, 2 cups sugar, 4 cups flour, 4 teaspoons baking powder, 1 teaspoon salt, 1 1/2 cups milk, 6 eggs whites, 1 teaspoon flavoring extract.

Cream shortening and sugar together. Sift dry ingredients together and add them to shortening and sugar alternately with milk.

Stuck Salad
Six slices pineapple, 1 green pepper, mayonnaise.

Mayonnaise and place in pineapple so that it cut thin cross section and place on pineapple. Four mayonnaise letting it run

and covering. Beat egg white very stiff and fold in. Turn batter into greased layer tin and bake 30 minutes at 400 degrees. When layers are cool place together with fruit filling and decorate according to anniversary desired.

Fruit Filling
One cup sugar, 1 cup dates cut fine, 1 cup raisins, 1 cup nut meats, 1 cup grated pineapple, 1 cup water. Put together slowly until very thick. Cool slightly before spreading on cake layers.

Ginger Pops
One-fourth cup melted shortening, 1 egg, 1/2 cup flour, 1 teaspoon baking powder, 1/2 cup sugar, 1 teaspoon cinnamon, 1/2 teaspoon ginger, 1/2 cup sour milk, 1/2 teaspoon salt, 1/2 teaspoon soda, 1 cup sugar.

Mix and sift dry ingredients. Add in unbeaten egg with molasses and 1/2 cup milk. Add melted shortening. Put in greased muffin pans and bake 20 minutes at 375 degrees.

Rosettes
One and one-half cups flour, 1/2 teaspoon baking powder, 2/3 teaspoon salt, 1 cup of milk, 2 eggs, 2 tablespoons shortening, melted.

Sift dry ingredients together and add yolks of eggs and half the milk. Mix until smooth, adding remaining milk gradually. Stir in melted shortening and lastly fold in with beaten egg whites. Heat deep fat to a temperature of 375

degrees and heat rosette iron in it. Dip in batter and in deep fat, fry in batter from 1 to 2 minutes.

Individual Meat Pie
Twelve large crackers, 1 lb. of chopped steak, minced onion, salt and pepper to taste.

Roll crackers medium fine, season and mix with well beaten egg. Then grease muffin tin and line with mixture. Season meat and add onion. Fill lined tin and bake 15 minutes at 425 degrees. Turn out and serve with hot tomato sauce.

Court News
Suit Filed

Put more **SUNSHINE** days on your calendar

How many days in the month do you feel your best? You can add to these sunshine days by simply obeying nature's laws.

The first of these laws is regular elimination. Avoid common constipation by eating a delicious cereal.

Tests show Kellogg's All-Bran furnishes "bulk" to exercise the intestines, and vitamin B to help aid regularity. All-Bran also contains twice the iron of an equal weight of beef liver.

The "bulk" in All-Bran is much like that in leafy vegetables. How much more pleasant than pills and drugs—so often habit-forming.

Serve as a cereal or use in cooking. Directions on the red and green package. At all grocers. Made by Kellogg in Battle Creek.

TRUCK DRIVER HIT BY MILK SHOWER

Feluge Follows Collision of Truck and Automobile on Street Here.

M. W. Thibaut, of Prospect road, route No. 3, was given a "ducking" in milk today shortly after 8 a. m. when his milk truck collided with an automobile driven by Frank Zuck of 273 Windsor street.

The collision occurred at Windsor street and Bellefontaine avenue. Zuck was crossing Bellefontaine from the north while Thibaut was driving east on Bellefontaine, the cars colliding at the north part of the intersection.

Part of the truck's load of milk was spilled from the cans, spilling over Thibaut and also over the side of Zuck's car.

The heavy fog was blamed for the accident, since neither driver sighted the other, they said. Zuck was accompanied by his daughter, Mrs. Frank Frullo of Blaine avenue. No one was injured.

The Zuck car, with a damaged front fender, hood and front wheels, was taken to the Haberman Chevrolet Co. garage. The truck also was damaged.

Into a bicycle frame an English inventor has built a tire pump that is manipulated by working the handle up and down.

One man raft boats, propelled by double-bladed paddles by their occupants standing erect, have been developed for new water sports in Europe.

ROAD ROLLER BILL SHOWS OFFICE BREAK

Continued from Page One.

placed in the road machinery yard, where it has since stood, Surveyor Tozzer said.

Board Holds Authority The surveyor added that he never had voluntarily turned in the old roller in trade on the new one.

The commissioners, when asked why they had purchased the roller without consulting the surveyor, pointed out that authority for spending the gasoline tax money rested with them exclusively. They added that the old roller had been in service for nine years, and that the Huber company held a bill against the county for repairs on it at the time the new one was purchased. The bill for repairs was cancelled at the time the deal was made, and the commissioners realized \$2,900 on the old roller, a figure which they said they considered to be a generous allowance.

When asked whether this expenditure might not have obligated funds which would be needed later for road maintenance and laborers' wages, the commissioners said they did not anticipate any unusual shortage of money in the gasoline tax fund.

Statements made by both Surveyor Tozzer and the commissioners brought to light the disagreements between the two offices since Jan. 1 regarding the expenditure of the \$50,000 gasoline tax fund from which most county road and bridge work is financed.

Surveyor Tozzer said he began at

the first of the year to make purchases which he considered necessary in the conduct of the work of his department. In the midst of these purchases, he was informed by a letter from the commissioners that he was not to make purchases without approval of the board.

The commissioners verified this by stating they had rejected one bill early this year for pipe ordered by the surveyor.

It was learned that commissioners, to strengthen their position, that they had unduly put authority over the gasoline tax fund, obtained an attorney general's opinion making this authority clear.

Purchase of the roller last June does not appear in the commissioners' journal, and is recorded only on copies of a purchase contract which is pigeon-holed in the commissioners' desk. When questioned regarding the absence of any journal record of the purchase, the commissioners disclosed they had authority to make purchases out of this \$50,000 gasoline tax fund without passing a resolution requiring journal entry. They also said that other pieces of equipment, including a maintainer purchased earlier this year from the Huber Mfg. Co., had been purchased without any journal record being made. They also said they were not required to receive competitive bids for purchases made from this fund.

OHIO PLANT BURNS

JOHNSON RETURNS TO TACKLE NRA TASKS

Continued from Page One.

Since last winter's low mark of 200,000, the labor department estimates of approximately 250,000.

The code of competition for the meat and shoe industry, expected to affect ultimately more than 200,000 workers, will become effective Oct. 13, under a presidential order removing the merit clause which employers had insisted on.

The code as approved by President Roosevelt was unchanged in other respects from its original draft.

The manufacturers had been in conflict with the administration on the merit clause issue throughout the negotiations preceding the presentation of the charter to the President for approval.

In approving the code subject to elimination of the merit clause which asserts the right of employers to hire and fire without regard for union affiliation, President Roosevelt said:

To Eliminate Clause. "Because it is evident that attempts by those submitting codes to interpret section 7-A of the national recovery act have led to confusion and misunderstanding, such interpretation should not be incorporated in codes of fair competition. The article IV (the merit clause) must be eliminated."

The code provides a 40-hour average week but permits a 45-hour schedule during any eight weeks of a six-months period. The minimum wage provisions are:

FOREST ARMY READY FOR WINTER

The cold mountain blasts won't worry the men of the civilian conservation corps. Uncle Sam has provided their winter uniforms which include a navy blue lumberjacket, leather wind-breaker and sleeveless olive drab jerkin. Headgear consists of a high-crowned cap with visor and ear tabs. Woolen inner mittens and rubber-soled overshoes complete the outfit.

AERIAL STYLE TEACHERS REHired BY BUCYRUS BOARD

Special to The Star. BUCYRUS, Oct. 6.—Bucyrus public school teachers were rehired for another month by the school board here last night. Because of a shortage of operating funds, the teachers will be hired from month to month this year.

THE STARS SAY

For Friday, Oct. 7

A rather perplexing and un-
settled state of affairs is fore-
cast from the dominant plan-
etary configurations. There may
be a sudden upheaval with
change of environment and as-
sociates, which may be produc-
ive of some measure of bene-
fit, but complications of a per-
sonal or not sensational nature
seem to menace entirely hap-
py conditions. Private, domes-
tic or romantic relations call
for much circumspect manage-
ment, lest passion, violence or
impulsive indulgence prove
devastating.

Those whose birthday it is
are on the eve of a lively if not
a spectacular year, with sudden
disturbances, abrupt changes,
passionate indulgences and sen-
sational reports may prove de-
trimental, affecting employment,
bringing certain benefits.

A child born on this day may
be adventurous, romantic, pas-
sionate and disposed to impu-
sive conduct and indulgent
moods of living, which may
bring it into the public eye. Its
private life may be specu-
lar.

Notable Nativities: James Whit-
comb Riley, Hoosier poet.

SEEKS TO LOCATE REGIMENT MEMBERS

An effort to locate members of
the 32nd Field Artillery regiment
which served overseas during the
World war is being made by L. B.
Fritsch of Hamilton, permanent
secretary of the 32nd Field Arti-
lery association.

The majority of members of the
regiment were from Ohio, Indiana,
Kentucky, Pennsylvania and Mich-
igan, and Mr. Fritsch is anxious
that anyone in Marion knowing the
whereabouts of members of this
regiment communicate with him in
order that complete regimental data
may be kept on file at the new
permanent headquarters in Hamil-
ton. Many former addresses have
been lost due to removals, deaths,
etc., and all former members of
the regiment are asked to send
their present address to Mr.
Fritsch, P. O. Box 324, Hamilton, O.

DIRECTS PLAY

CHARLES N. LUM

PLAN TICKET SALE FOR K. D. PRODUCTION

Local Group To Sponsor Play
Directed by C. N. Lum
at Ohio Theater.

Tickets will go on sale Monday for "Joseph and His Brothers," the stage drama which the City Union of King's Daughters will sponsor Oct. 19-21 at the Ohio theater. Every circle will have tickets. The committees are being selected today and Saturday.

Charles N. Lum, who will portray the character of "Simon" in addition to directing and producing the play, will be remembered as the character of "Judas" in "Betrayed," the Passion play which was given at the same theater last spring.

Mr. Lum compares the role of "Simon" to "Judas," the best known of all villains. "Simon," he describes as avaricious, jealous, quarrelsome and domineering. "It was Simon's degradation of being a handman and the suffering of his father and brothers that brought about his remorse," Mr. Lum said. "It was Judas' love for gold that led him to betray his master, but it was his remorse that caused him to take his own life."

The King's Daughters' receipts will go to carry out their program of hospitalization.

JUST SPRINKLE IN*TO END SOAP WASTE

To end soap waste just sprinkle Climalene in wherever water of any kind is used in cleaning. Hard water wastes soap because the soap cannot dissolve. Climalene softens water... dissolves grease. It makes clothes whiter and dishes gleam. Get Climalene from your grocer.

LIKENS CHAPEL AID ELECTS OFFICERS

Mrs. W. J. Miller was elected president of the Ladies Chapel Aid Society at a meeting Thursday with Mrs. Clarence Peterson of the Ladies Aid, Mrs. M. Peterson was elected secretary and Mrs. George Bird, treasurer. A potluck dinner at noon was served by the society and the following were present: Mrs. H. E. Allen and Mrs. Miss Mabel Bird were elected. Guests were Rev. and Mrs. Allen, Mrs. M. C. McConnell, Mrs. Jones of Dover, Mrs. Fred Gilbert, Mrs. Catherine Grundish, Mrs. Herbert Brewer and daughter Barbara, Mrs. William Daines, Mrs. Robert Hinson, Mrs. Orville Young and son James, Mrs. Georgia McHaffey, Mrs. Martin Adams of Edmon, Mrs. Juanita Owens, Mrs. Henrietta Bird and Mrs. Laura Monnett.

HEARING ON DITCH PLAN CONTINUED

Hearing on special assessments for the proposed improvement of the Grave Creek ditch in Marion and Clayton townships was continued to next Monday by the county commissioners yesterday when owners of property along the ditch failed to present any agreed plan of procedure. Several interested property owners were unable to attend yesterday's hearing, the commissioners said.

BIRTHS

LARRUPIN' LOU AS BENEDICT

With the baseball season at an end, Lou Gehrig, mighty slugger of the New York Yankees, will make more home runs than ever. That is to say, he'll always be anxious to run home to his bride, the former Eleanor Twitchell of Chicago, who took him for richer or poorer recently. They're shown at home of bride's aunt in Freeport, L. I.

The reception will be held at 7:30 p. m. in front of Hotel Harding, the club's headquarters. Following a concert by the Eagles' band, Mayor Phillians will introduce the club as a group. Later the team will attend the wrestling match in the Marion Steam Show at the gymnasium where they will be introduced individually.

Mayor Phillians will throw out the first ball in Tuesday's game.

RED ORATOR CHAINED TO STUMP

You've heard of crusaders nailing their flag to the mast, and here's a living example of similar sentiment. Mary Brooks, member of the Young Communist League, is shown chained to a lamp post so that police could not move her from her speaking post in Philadelphia, where she addressed a gathering of fellow Communists on the Reichstag trial in progress at Leipzig, Germany. Although police reserves broke up the demonstration, the fiery young orator continued her harangue, "nailed to the mast," until the police towing squad freed her from her chains. But it was out of the frying pan into the fire, for Miss Brooks was taken from her post to a jail cell.

NRA application and benefits will be explained from south steps of the Court House Saturday eve, Oct. 7th, 8:30 p. m., by Rev. J. B. Swain of Kirkpatrick.

Dinner and Dance
Country Club

The most pleasurable affair of the Marion Country Club this autumn was the dinner and dance given for the benefit of the club. The affair was arranged for the evening of Oct. 30 and was held at the club. The dinner was served at 7:30 and the dancing began at 8:30. The affair was a great success and the club is looking forward to the next one.

Win Honors at
Card Club Meet

Mrs. Harvey Wornstaff and Mr. George Harder were presented with honors at the meeting of the Jolly Bridge Players club yesterday afternoon at the home of Mrs. E. Snyder at Bucyrus. Mrs. Claude Miller was awarded. Mrs. Ed Miller of Hane avenue will entertain the club in two weeks.

Bay View Club
Opens Season

Miss Emma Thompson and Mrs. Anna Waters were hostesses to members of the Bay View club at their first meeting of the season last evening at the home of the former on West Center street. Current events were given in response to roll call and Mrs. Emma Horner gave a paper on "Newfoundland." Current news was discussed by Miss Marie Ruehrmund. Miss Mabel Turner gave a report of the meeting of the executive board of the Marion County Federation of Women's clubs. Refreshments and a social hour followed the meeting.

Luncheon Honors
Mrs. Minnie Blaw

Mrs. Minnie Blaw of Franklin street, who will leave next week to spend the winter in Pasadena, Calif., was complimented with a farewell luncheon yesterday at her home. The affair was planned by members of the Woman's Relief corps of which Mrs. Blaw is a member. Covers were placed for about 30. Guests included Mrs. C. C. Pettit, Mrs. Netie Williams of Canton and Miss Leona Brady.

N. L. I. Club Meets
at Booth Home

Three tables were filled for progressive euchre at the meeting of the N. L. I. club yesterday afternoon with Miss Iva Faye Booth of 411 Olney avenue. Mrs. George Bishop, Mrs. Roy Hickman and Mrs. O. L. Freshour received awards. Mrs. Harley Bush of 675 Wood street will entertain the members in two weeks.

Tri M Club
Is Entertained

Mrs. Carl Corwin was hostess to members of the Tri M club Wednesday evening at her home at 691 East Church street. The time was spent socially and lunch was served. The club will meet in two weeks with Mrs. Merrill Hendel as hostess.

Exhibit Interests
Art Club Members

Florentine art and architecture was the program topic for the meeting of the Art club last evening at the home of Mrs. J. C. Ackerman of South Prospect street. Twenty-three members responded to roll call. An etching by Joseph Pennel and a bust of bronze by Coralie De Long Maxwell of Cleveland and a plaque by Annetta Johnston St. Gaudens, all the property of Mrs. Walter E. Hane provided an interesting exhibit. Mrs.

Marion Friends Attend
Mansfield Wedding

Miss Lillian Noyes of Canby court and C. M. Hatcher of Congress street attended the wedding of Miss Katherine Ballenger, daughter of Mr. and Mrs. Cletus Ballenger of West Mansfield, to Paul Armstrong of two miles west of West Mansfield, last evening at 8:30 o'clock at the home of the bride's parents. Miss Noyes and the bride were roommates while in nurses' training at White Cross hospital in Columbus.

Rev. Moffitt of West Mansfield read the single ring ceremony in the presence of the immediate relatives and close friends.

Miss Genevieve Ballenger, sister of the bride, was her maid of honor, and John Newman attended the bridegroom as best man. Preceding the service, Mrs. Paul Roken of West Mansfield played a group of wedding songs and the "Wedding March" from Wagner's "Lohengrin."

Following the ceremony refreshments were served.

If Your Child Won't Eat Vegetables

—Here's How To Make Him Hungry For Them

By creating the sensation of hunger, by furnishing added nourishment —Ovaltine often increases a child's weight a pound a week or more.

A Swiss Discovery That Actually Creates Hunger. Even Makes Children Eat Such Foods as Spinach, Lettuce, Carrots Without Coaxing—Increases Their Liking for Milk. And Adds Nourishment and Digestibility to Every Meal They Eat!

Accept Trial Supply . . . Learn How This Swiss Creation Solves The Problem of The "Poor Eater"

HERE is an amazing, natural way to make "poor eaters" hungry. Not just "tempt" the appetite but actually create the natural sensation of hunger.

A way to make a child relish any normal, healthful food: even such vegetables as spinach, carrots and lettuce—and to double the amount of milk he'll willingly drink each day.

It is a remarkable discovery from Switzerland, leader in child-welfare research. It is called Ovaltine. You simply give it mixed with milk, either hot or cold. And children love its taste.

How It Actually Makes "Fussy Eaters" Hungry
Ovaltine is created by a special vacuum process which makes it utterly different from any other food-drink in the world.

First: Besides being extremely nourishing and easy to digest—it is particularly rich in the appetite-producing Vitamin B.

Second: Ovaltine contains an unusually high proportion of a remarkable food property called "digestase." This substance has long been recognized for its power to liquefy and "digest" starch in foods—a significant fact when you consider that the diet of the average child contains about 60% of starchy foods.

These features of Ovaltine are highly important. And specialists will tell you that the child with poor (or "slow") digestion is usually the one who won't eat—who shrugs vegetables and objects to drinking milk.

MARION'S LARGEST
FURNITURE STORE

GIGANTIC SALE OF \$75,000
STOCK OF FURNITURE, DRAPERIES,
FLOOR COVERINGS, APPLIANCES
STARTS Sat. Oct. 7th At 10 A.M.

Every Piece on Five Great Floors Must Go!

A Personal Message to Our Customers and Friends

We must dispose of every item that was in our stocks at the time of the fire.

We must make way for a complete redecoration and permanent repair of the building. Operating with only temporary repair, with complete disregard for loss by price cuts, we shall proceed to clear our floors in the shortest possible time.

When the fire caught us our store was full of good, seasonable merchandise. Our selections, our prices and our ability to serve were nowhere excelled. The new prices on this merchandise would be much higher.

The fact that the vast majority of the stock shows only the slightest evidences of fire (smoke, etc.) and that all our nationally advertised lines will be included will not prevent us from pricing each and every item to rock bottom, so great is our wish to speed this sale to its conclusion.

I feel assured that everyone will realize that

this event is not to our liking. Customers will be inconvenienced. Our store will not have its usual attractiveness. The merchandise, however good, will have the stigma of a "fire" record, so it is cut 33 1-3% - 50% - 66 2-3% and 75%.

We pledge you that our part in this situation will be carried out quickly and effectively. Our store, as soon as humanly possible, will once again be the Schaffner's you know, without a single piece of goods left over from the fire. The present stock must go and a new one replace it.

Schaffner's serve all North Central Ohio and in order to give our customers from a distance equal chance at early selection the sale will not open until 10 o'clock Saturday.

Sincerely,
(Signed) Wilfred Schaffner

Three Escape Injury in Plunge
from First Floor into
Basement.

WIRING DEFECT BLAMED
Company Will Continue in
Temporary Quarters Until
Repairs are Made.

Two firemen were overcome,
three escaped injury in a 12-foot
fall and damage estimated at \$40-
000 was caused early this morning
by fire which swept the basement
of the H. Schaffner Co. furniture
store at Main and Church streets.
The flames were confined to the
basement but the stock on the
four floors of the brick structure
was damaged by smoke and heat.
Two alarms were sent in for the
fire one calling Companies No. 1
and 2 and a second calling Com
pany No. 3. All firemen off duty
were summoned with a total of
27 firemen fighting the blaze. Four
firemen on vacations were the only
ones not called.

The firemen who were over
come by the heavy smoke and gas
fumes are James T. Fisher of Com
pany No. 1 and J. H. Yazel, de
partment mechanic. Fisher, the
more seriously affected, also suffer
ed a heart attack from the
fumes while Yazel was quickly
brought to consciousness.
Fisher was carried to the street
and given treatment and then
taken to an apartment building
just north of the Schaffner build
ing where he was placed under a

YOUTH SPRINTS
TO WARN OF FIRE

Frederick Haberman III, 23,
of 478 South Main street, copied
methods of couriers in
days of old in notifying police
about the fire in the H.
Schaffner furniture store
early this morning.
While driving by the build
ing, Haberman noticed smoke
curling from the fourth floor.
He drove toward police head
quarters to ask officers to in
vestigate.
At the Harding High school
on West Church street, his car
ran out of gasoline and he was
forced to run the rest of the
way to the police station.
Capt. E. C. Macken investigated
and turned in the alarm.

doctor's care. Later he was taken
to his home. He returned to duty
again this morning.
Yazel and two other firemen,
George Haines of Company No. 2
and O. C. Stafford, captain at
Company No. 2 escaped injuries,
except for shock when they fell
through a hole in the first floor in
to the basement a drop of 12 feet.
The hole was hidden by the dense
smoke.
Fire lines of hose were played on
the fire two brought in from the
front of the store and three in
from the rear and side entrances.
Heat was so intense the firemen
at first could get into the building
from the front for a distance of
only 10 feet.

Origin Uncertain
Origin of the blaze had not been
determined at noon today although
it was believed by store officials
that an electric wiring defect might
be responsible. It is believed to
have started in an air space be
tween the steel ceiling of the base
ment and the wood floor of the
first floor. It could have smould
ered for a considerable time with
out detection, store officials said.
A surmise that wiring flaws
caused the blaze was prompted
when officials said an electric
clock in the store office had
stopped at 12:10 a. m. This was
thought by some to have been
caused by an electrical short cir
cuit.
Discovered about 1:45 a. m. the
blaze was not brought under full
control until nearly 4 a. m. and
firemen and police were on duty
at the scene until 4:30 a. m. A
large crowd was attracted by the
clouds of smoke pouring from
every window and service of the
four-story structure.

Fred Haberman III, 23, of 478
South Main street, discovered the
fire as he was driving by the
building. He went to the police
station and returned with Capt.
K. C. Macken who turned in
an alarm from the box at Main
and Church streets.
Haberman reached the station at 1:45 a. m.
and three minutes later Capt.
Macken turned in the alarm.

Harding Crippled for Invasion of Shelby Saturday

REJUVENATED SENATORS THREATEN TROUBLE FOR NEW YORK

PRESIDENTS TO FACE UPHILL STRUGGLE IN FIRST LEAGUE SCRAP

Half Dozen of Squad on Sick and Injured List; Start at 1 P. M.

Pretty well crippled up but still hoping to start the North Central Ohio league's championship campaign with a triumph, the Harding High school grid warriors took things easy today in their final practice session before the opening of the titular campaign, Saturday. The Presidents will pack up for the season's first out-of-town journey Saturday and invade Silesia stadium at Shelby for the ninth clash between the two teams promised to be one of the most bitterly fought of any ever played between the two schools as both struggle to get off to a flying start in the championship campaign. Each has won four of the eight previous games.

Hit By Injuries.
The age old injury bugaboo which has kept several Harding performers on the shelf all season has been working overtime this week in the camp of the Presidents and as a result the outlook for a triumph over Shelby is none too bright. At least a half dozen members of the squad are on the sick or injured list although not all of this number will be unable to appear in the lineup at least part of the time.

Carl Danner, who would probably be one of the starting half-backs if he could ever shake the jinx which has been trailing him since last season, is definitely out all day. Danner has been in bed all week with the flu. Gerald Smart, who was slated early in the week to start at a halfback is also expected to watch the game in civilian clothes due to an injured leg. This leaves the halfback posts up to Custer and Frasier. Caproni will be at quarterback and Whitecum at full. Jimmy Jones, colored halfback, is still nursing an injured ankle. He may see some service but it will probably be short as the injury hinders his running.

Floury at Plank.
Tierney and Harbott will start at the flank. Tierney replacing John Canterbury who is not with the squad now. Goerlich and Walker will team up at the tackle. Zuck and Miloy will start at the guards with either Weller or Mason at center. Mason will have to play. He suffered a gash in the forehead in practice this week when he collided with a ball carrier's knee. Ingram, a guard, has a bad shoulder and will not be used at all if it is possible to keep him out of the conflict.

The reserves will play the first game, starting at 1 p. m. The varsity contest is called for 2:30.

Ohioan Is Champ.

Nat Victory Today Will Square Series at 2-All

Washington Spirit, Rekindled by Triumph, Looms as Distinct Menace To Giants' Hopes.

By The Associated Press.
WASHINGTON, Oct. 4.—The Washington Senators today had a chance to get back on even terms with the New York Giants in the World series by beating Carl Hubbell, southpaw master of the screw ball.

From a neutral point of view that looked not one whit more difficult than any of the fabled 12 labors of Hercules. The last time Hubbell was out the Senators scarcely saw him at all. He mowed them down with five hits in the opening game in New York, 4 to 2. But today a powerful change had swept over the series picture, a change so threatening that Bill Terry, leader of the National league champions, turned as he had done all through the past season in similar crises, to Hubbell, the pitcher of the year in the majors.

From a stunned, shaken, struggling team, wandering dizzily about, the Senators reformed their ranks yesterday under the eyes of President Roosevelt, and swept the Giants back in the third game.

Stopped by Whitehill.
Behind the flawless pitching of Earl Whitehill, southpaw ace, the Senators stepped out and clubbed down fat Freddy Fitzsimmons. Great as was yesterday's 4-0 triumph, it could bring little ultimate satisfaction to the Senators unless the recovery carried on today. Therefore Cronin entrusted his pitching to young Mule Weaver, the Virginia mathematician, who through the closing days of the American league season tossed the finest ball of any man on the Washington staff.

Weaver, in cool, calculating young man with a grand curve and fast ball, has been Cronin's ace in the hole, and the Senators believe he can beat the Giants, even with Hubbell pitching. Should that happen the teams will enter the third.

More Sports on Page Twenty-One
and last game here tomorrow tied at two victories each, the series then continuing in New York with a sixth game Sunday and a seventh Monday, if required.

A continuation of the power that flung Fitzsimmons, the knuckle ball veteran, for two runs in the first inning, one in the second and a final marker in the seventh, would do for Hubbell, of course, as it would do for any pitcher.

Weaver, ill much of the season, rallied strongly in the final month of the American league campaign. He and Whitehill stopped the Yankees short in a double header in New York after the former world champions had opened a crucial series with a double victory.

The big problem, of course, was to get runs for young Weaver to win with, and the record of the first game fails to show any system to work on with a chance for success. The Senators scored two unearned runs off Hubbell in the Polo grounds opener, both due to errors. Ten of them fanned and only five hit safely.

But yesterday it was different, with the capital only lake warm in its reception, the crowd numbering only 25,727.

Ball of fight and dash, completely rehabilitated, the Senators, led

by Rogers Marmon, an old and ardent, never let a game slip, mowed down the Giants, who clinched.

The Senators' attack at the start on Mule Weaver, the knuckle baller for two runs in the first inning, was a masterpiece. In the seventh, however, the Washington manager of field and Fred Schulte's double hit right

That skidish ball may have decided the issue then and there and robbed Fitzsimmons of a second chance. He had for weeks trained he was belted safely into the seven innings before going way to pinch hitter Herman Bell.

Ossie Bluege's double to left and Myer's double that skinned over first counted one in the second and Luke Sewell's first hit of the series, a single, his steal of second when Mancuso threw while trying to tag him at first, and Myer's third hit, a single to right center, added the fourth in the seventh inning.

Kallio To Defend Crown Against M'Naught Monday
Scotly McNaught, the smashing Canadian middleweight who last Monday night stopped the Black Panther in a sensational bout here, will bid for the world's middleweight championship at the Stearn Showel gym next Monday night when he meets Gus Kallio, the great Finnish holder of the world's 165 pound crown in a two best out of three falls bout. This bout was closed today by matchmaker Clete Kauffman.

McNaught surprised local mat fans with a burst of clever wrestling to take the final fall from the Black Panther in last Monday's clash here.

The Canuck, however, has been showing consistently better form and mat ability every time out and his upset of the Algerian was registered in such decisive style that it left no doubt in the minds of local fans that he is the bronze star's superior on the wrestling pad.

Scissors Best Held.
McNaught's sensational flying short arm-scissors proved the undoing of the Panther just as it has every other man McNaught has met here and when he steps out on the Showel gym mat next Monday to make his bid for the honors among the middleweights, the Canuck will likely depend upon it to bring him victory.

Although Kallio has shown impressively in his two title defenses here, local fans are at odds over the forthcoming championship test and many of them are backing the crack Canadians to crash through and stop the long winning streak of the great Finn.

Win, lose or draw, McNaught will most certainly make it a battle and with the breaks may once again upset the dope.

The semi-final will introduce two newcomers to Marion in Hi Shannon of Salt Lake City and Ivan Cosack, sensational Russian welterweight who will meet in the two best out of three falls, 45-minute limit semi-final.

WHITEHILL IN FORM

EARL WHITEHILL
If Joe Cronin could call on a few more left handers like Earl Whitehill, the chances of the Washington Senators coming from behind to win the World series would be considerably enhanced. After two previous fingers had been knocked around in the first two games, Whitehill took the slab yesterday and set the Giants down with five well-scattered hits. The five-hit job enabled the Nats to win their first series game by the shut-out route, 4-0.

Pennant Awarding Brings Softball Season To Close

The curtain was officially rung down on the 1935 softball season here last night with the presentation of the championship flag and other awards at the annual pennant banquet sponsored by the city softball commission. The banquet was held at the Y. M. C. A. with approximately 60 persons present.

League pennants were awarded the four championship teams: the Gasco club of the Industrial league, the First Presbyterians of the No. 1 Sunday school loop, the Epworth Seniors of the No. 2 church circuit and the Kappas of the Commercial league. Individual medals were also awarded the members of the Gasco club, winners of the city championship in the Little World series following the close of the regular league campaigns. Medals were given the following: Gasco, Schwabert, Kenneth Gallant, Johnny Marshall, Bobby Zahn, Ward Baldouf, Eratus Young, Gerald (Jerry) Neimeyer, "Tony" Lashby, Dave Morris and Ray Anthony.

LaMarche Wins Title.
Country Club golf tournament activities came to a close this week when Robert LaMarche defeated O. Brown, two and one, in the finals of the president's handicap tournament. Eighteen holes were played in the final match.

THREE MENTIONED FOR VEECK POST

By The Associated Press.
CHICAGO, Oct. 6.—Possibilities as to the successor of the late William L. (Bill) Veeck, president of the Chicago Cubs were discussed today in baseball circles.

Although action may not be taken for several months, the names of William M. Walker, John O. Seys, both vice presidents of the club, and Oscar Reichow, president of the Los Angeles baseball club which is affiliated with the Cubs, figured largely in talk. Walker is considered first in line.

STOCK SHARES FAIRLY STEADY

Strength; Mining Irregular.

Associated Press

The stock market was fairly even today, with various specialties showing strength but a fairly crept out of the market.

Union Pacific, American Telephone and Telegraph, Chrysler, Allied Chemical, and others were among the specialties that showed strength.

Money renewed its confidence in the market.

LOCAL MEN TO ATTEND MEET

Harding Area Scout Leaders Going To Cleveland Conference.

Three officials of the Harding Area Scout Council will go to Cleveland Friday morning to attend the annual meeting of the four of the Boy Scouts of America, comprising Ohio, West Virginia and Kentucky.

Those to attend are Arthur E. Brooks, area executive, William H. Symes, area president, and George E. Brooks, area vice president. They will remain in Cleveland after the meeting for a five-day conference of executives in the Wade Park manner.

The annual meeting will be held in Hotel Cleveland and will last from Friday noon until Saturday noon. Principal business will be the discussion of the next objectives in the 10-year plan of scouting, now under way. Some of the most prominent business and industrial leaders from the three states will help in mapping out the next steps.

Karl Reiche, 16, of Troop 5, of Marion, will accompany the scout leaders and will take part in a banquet Friday night in the hotel ballroom. Reiche, an Eagle scout, will aid the local scout leaders in portraying the progress made here in the 10-year plan.

Dr. James E. West of New York City, chief scout executive, will be the principal speaker at the banquet. His subject will be "Problems of the Hour and the Next Steps Nationally."

More American leather is sold in the United Kingdom than in any other foreign nation, virtually all types and qualities finding a market there.

An alloy of nickel, steel and aluminum developed in Japan is said to have twice the magnetic power of standard magnetic steel, to cost much less and to be more durable and lighter.
